

TEACHER NOTICE & PACKING LIST

TEACHER RESPONSIBILITIES:

Unlike many other South African school camps, Sugar Bay does not relinquish responsibility of their learners at night, or at any stage of the tour. Our counselors are there to supervise the children at meals, in the cabins, during evening activities, 24 hours a day. Teachers are accommodated in separate accommodation and have the freedom to be as involved as they would like to be. They can join the learners doing activities, observe the kids in action, or relax and do their own thing (read a book, chill in the cabin, visit the pool or beach or go site-seeing). We suggest that teachers bring a good book, hobby or extra marking. (Teachers often feel at loss with nothing to do!)

ACCOMMODATION:

Teachers are accommodated in the teacher's lodge, separately from the children. Their rooms each have a small mini-bar and en suite bathroom. There are internet facilities but unfortunately the cell phone signal is quite weak. There is a pool and a lapa for the teachers to enjoy, beside the comfortable lounge and dining room area.

TEACHER EXPECTATIONS:

We would like all the teachers accompanying the tour to help complete the Detailed Information Form, or at the very least have a look at it, so that we all have the same expectations ahead of time.
